

PARK CITY SCHOOL DISTRICT FEE SCHEDULE

2009-2010 SCHOOL YEAR

Adopted by the Park City Board of Education - May 19, 2009

PARK CITY SCHOOL DISTRICT FEE WAIVER POLICY

Students who are in state custody or foster care, or are receiving public assistance in the form of Aid to Families with Dependent Children, or Supplemental Security Income, or are eligible for free school lunch will have all fees waived. Other fee waivers may be granted because of extenuating circumstances such as exceptional financial burden, loss or substantial reduction of income, or extraordinary medical expenses. In lieu of the waiving of fees students may work in selected school and/or civic jobs. (See Park City School District Policy JNA, Student Fee Waivers.) Requests for fee waivers are to be made to the building principal. Appeals of his/her decisions on the granting of fee waivers may be made to the superintendent of schools and, ultimately, to the board of education. At all times the privacy rights of students and parents will be protected and no student will be discriminated against because of inability to pay or because of a request for a fee waiver. All fees shall apply to Park City students and students concurrently enrolled in the Winter School, private schools, or home schooled students living within the boundaries of the Park City School District who meet eligibility enrollment requirements.
