**Your Course Selections**

**Teacher signatures** are required for Honors/AP English, Math, Honors/AP Science, World Languages above level I, and some electives. Read the Course Catalog—it will tell you if a teacher's signature or prerequisite course is required. If you are not taking a class in the subject area listed below, enter an elective class in its place.

***IMPORTANT: You must register for 7 of 8 credits each year to be on track for graduation, unless you have an alternate plan on file with your counselor.***

**Parent Release Disclosure:** Available at the discretion of the student's parent/legal guardian, Parent Release gives students the opportunity to be released for part of the school day for necessary regularly occurring off-campus activities. **During release time, the student may NOT be on any school campus.** Students must leave campus within five minutes of their last class. Parents are responsible for students during their release time. There is no guarantee that requested Parent Release periods will not conflict with requested courses taught during the school day. If a parent wishes to rescind the release time, the student's schedule is subject to course availability.

**The Course Catalog is ONLINE: [pchs.pcschools.us](http://pchs.pcschools.us) > Registration > Course Catalog > Course Offerings**
