Parent Release Disclosure: Available at the discretion of the student's parent/legal guardian, Parent Release gives students the opportunity to be released for part of the school day for necessary regularly occurring off-campus activities. **During release time, the student may NOT be on any school campus.** Students must leave campus within five minutes of their last class. Parents are responsible for students during their release time. There is no guarantee that requested Parent Release periods will not conflict with requested courses taught during the school day. If a parent wishes to rescind the release time, the student's schedule is subject to course availability. **If you will need Parent Release for just Q2 and Q3, you MUST sign up for a FULL schedule of classes now and adjust your schedule later.**
