9th Graders

Park City High School Science Courses

9th Grade

10th - Grade

FALL 2016
Biology*
Honors Biology*
Earths Systems

Placement testing: TMJH
February 13, 1:45

FALL 2017
(No Placement test Required)

Geology
Biology*
Physics with Technology
Medical Anatomy and
Physiology
Environmental Science
(Environmentology)
(Prerequisite- Biology)

**(Placement test score
approximately 65-80%)**

Geology
Biology*
Medical Anatomy and
Physiology
Environmental Science
(Environmentology)
(Prerequisite- Biology)
Physics with Technology
Chemistry*
AP Biology*
(concurrent with Chemistry)

**(Placement test score above
approximately 80%)**

Geology
Biology
Medical Anatomy and
Physiology
Environmental Science
(Environmentology)
(Prerequisite- Biology)
Physics with Technology
Physics*
AP Physics 1*
Chemistry*
Honors Chemistry*
AP Biology *
(concurrent with Chemistry)

* Counts as a "Lab Science" (colleges want to see 2-3)

Other AP classes include: AP Chemistry, AP Environmental Science, AP Physics 1-2, AP Physics C and AP Physics 2
