

Park City High School Science Courses

9th Grade

10th Grade

PCHS Science Placement Testing
Monday, February 12 – 2:00 in TMJH Forum

(No Placement test Required)

Earth Science *PS →

Biology *LS

(No Placement test Required)

Biology *LS

Geology *PS

Medical Anatomy and
Physiology *LS

Environmental Science *PS
(Prerequisite- Biology)

Physics with Technology *PS

(Placement test score
approximately 65-80%)

Geology *PS

Biology *LS

Medical Anatomy and
Physiology *LS

Environmental Science *PS
(Prerequisite- Biology)

Physics with Technology *PS

Chemistry *PS

AP Biology *LS
(concurrent with Chemistry)

(Placement test score above
approximately 80%)

Geology *PS

Biology *LS

Medical Anatomy and
Physiology *LS

Quantitative Environmental
Science *PS
(Prerequisite- Biology)

Physics with Technology *PS

Physics *PS

AP Physics 1 *PS

Chemistry *PS

Honors Chemistry *PS

AP Biology *LS
(concurrent with Chemistry)

11-12th Grade AP classes: AP Chemistry, AP Environmental Science, AP Physics 1-2, AP Physics C and AP Physics 2

Three years of science required for graduation: 1 life science, 1 physical science along + 1 elective science

*PS=Physical Science *LS=Life Science
