

**PARK CITY HIGH SCHOOL FEES  
2018-2019**

The Park City Board of Education affirms the principle that a public education should be free to the patrons of the school district and that barriers to public education should be removed wherever possible. In that effort, the school board has waived the fee requirements for mandatory and academic fees for the 2018-2019 school year. The board's action is not a categorical waiver of all fees. Fees subject to this action include fees for elective courses and general education expenses. This action does not extend at this time to extracurricular fees and other fees for activities conducted outside the normal hours of the school day. In all cases, remaining school fees are subject to State law and district waiver policy.
